

OLIN™ 8 Inch Digital Photo Frame NEW!

A beautiful, versatile and fully featured Digital Photo Frame.

A FULLY FEATURED DIGITAL PHOTO FRAME...

- See all your photos from your digital camera instantly on an ultra-sharp LCD screen with a high resolution of 720 by 480 pixels.
- A beautiful glass-like frame surrounding an inner white frame with silver inlay.
- Free standing with the built-in table stand.
- Zoom in to display detail for high resolution photographs.
- Set the duration to display each photo from 5 seconds up to 1 minute.
- Display as many photos as your memory card or memory stick inside your digital camera can hold in a non-stop slideshow of treasured memories.
- Supported memory cards: SD, MS, MMC, USB drive.
- Built in rechargeable battery and also mains powered.

WITH MULTI-MEDIA CAPABILITIES...

- Inbuilt stereo speakers with a wireless remote control.
- Watch MPEG and AVI format movies and listen to MP3 and WMA format music.
- Play background music while watching your photos in a slideshow.
